CURRENT MEASURABLE GOALS:

Conduct sessions at TED sponsored by the committee

We sponsored 4 webinars this year

We increased our active membership

We contributed to the development of TED briefs

ACCOMPLISHMENTS:

We completed our required meeting and sponsored 3 sessions at the annual meeting in New Orleans. We had 19 people who attended or stopped by the roundtable on HLPs. At the tech meet up, we have a group who will be led by Aftynne Cheek interested in developing case study modules, perhaps as online materials or a book, and with ideas for funding support. We had about a dozen people at our panel session on retirement

We supported ECFS in conducting webinars on their TED panels to include members who could not attend, we hosted the keynote webinar featuring Jane West, we collaborated with Diversity Caucus to publish a webinar on how to develop a great proposal for CEC/TED

We have had a long but inactive member list. This year, members took leadership roles on webinars and proposals

Cathy Thomas and group wrote one on school safety. The committee supported the development of one for each of the 4 HLPs
